

## **WHSM is committed to:**

- Work Health Safety Matters (**WHSM**) strives to be a leading provider in promoting a healthy and safe work environment and providing proactive quality services to our clients.
  - WHSM believe that all parties should work towards the same agreed goal in the process of rehabilitation.
  - WHSM prides itself on developing strong partnerships with clients and consultants in the prevention and management of workplace injuries and illness.
  - WHSM is committed to identifying and delivering services to assist the injured worker in returning to work and the community in the speediest manner possible.
  - Work Health Safety Matters has a commitment to excellence and mistake free procedures.
