

Mission statement

WHSM is committed to being a leader in promoting healthy and safe work environments and providing occupational rehabilitation services to achieve durable and cost effective return to work services.

Work Health Safety Matters is dedicated to:

- Our staff and the consultants we work with
 - Our clients and the business they belong to
 - The principles of injury reduction and health and wellbeing
 - Professionalism and inclusion
 - Integrity and trust
 - Service provision to achieve early and durable return to work outcomes
 - Continuous improvement through rigorous quality assurances.
-
